***INTENSIVE USE FURNITURE  
AND ACCESSORIES***

# DERBY STEEL

Derby Industries is proud to offer our Derby STEEL line of intensive use furniture and accessories. The words “intensive use furniture” take on another meaning in an institutional setting. Here “intensive use furniture” means its abuse is expected, its durability is essential, and less is more. Our products have been carefully designed incorporating feedback from professionals with many years of experience in both corrections and steel fabrication.

The Derby STEEL double bunk featuring the Derby “Blue” patented correctional mattress (shown here with optional welded drawer, welded locking hasp, welded ladder, and welded safety rail).

## Bunk CHOICES

We offer single and double bunks- 10 or 12 gauge bed pans, which can be either floor mounted or wall mounted. They may be shipped primed or powder-coated. Other options include welded drawers, welded locking hasps, welded ladders, welded safety rails, and 12 gauge slide rails (to be used with Derby welded drawers or custom storage boxes). *Custom sizes available.*

## DURABILITY IS ESSENTIAL

## Pedestal Support Table

All welded construction. 4" steel pedestal supports four 2 1/2" steel support arms for stools. 1/4" steel floor mounting plate for bolting or welding to the floor.

All Derby STEEL table top options are constructed using sound-deadening techniques that contain zero wood. 1/4" steel mounting plates welded to the top of the support frames and the bottom of the table tops compress a layer of RTV silicone to reduce noise and vibration.

## Seats

Stool seating options include primed and/or powder coated steel 12" diameter round, octagonal, or stainless steel 12" diameter round. The photo below shows pedestal style Welded Floor Stool.

## Heavy Duty Octagonal Tables

**4 OR 6 SEATS**  
**ADA COMPLIANT**

All welded bases constructed using 3" steel box tubing. Four or six fixed-seat options accommodate 2 wheelchairs or specialized seats. Upper photo shows 4-seat support floor mounting plates. Lower photo shows pedestal-style seat support with 2 floor mounting plates.

**4-SEAT SHOWN WITH STAINLESS STEEL TABLE TOPS AND SEATS**

## Security Cuff Benches

### WITH LASER CUT INTEGRATED CUFF SLOTS

The Derby Steel Security Cuff Bench (floor mount) is available in 3', 5', 6', or 10' length. Bench legs and support braces are made of 2" steel box tubing. The bench top is available in primed and/or powder coated 10 gauge steel or 14 gauge stainless steel. The integrated laser-cut cuff slots are available on 1 or both sides of the bench. We offer plenty of options for your intake area.

## Desk

### WELDED DESK WITH FLOOR MOUNTS

Our heavy duty floor mounted steel desk has 3 storage shelves and a foot rest. Its all-welded construction and 16" x 36" desk top provides ample writing surface and durability. Options include a stainless steel desk top and a Welded Floor Stool. Custom sizes available.

## Welded Wall Mount Desk Unit

This is our one-piece steel desk unit with stool. The standard 10 gauge steel desk top and mounting plate are welded to 3" steel box tubing frame support for daily intensive use. Options include Stainless steel desk top and stainless steel stool.

## Clothing Hooks

### 1, 3, AND 4 HOOK OPTIONS

Stainless steel clothes hooks with collapsible ball-joints. This sloped-top design with countersunk mounting holes is available in 1, 3, and 4 hook options.

## Toilet Paper Holder

### BALL TIP

The slope top design and collapsible ball joint feature has safety and practicality in mind. The 14 gauge stainless steel housing surface mounts with countersunk mounting holes.

## Security Mirrors

### LARGE OR SMALL 1 PIECE DESIGN

The 1 piece security mirror is made of 18 gauge formed stainless steel that is polished to a mirror finish. Mirrors are available in a small or large size.

### 2 PIECE DESIGN

Security Mirrors are also available in a 2 piece design, with a 14 gauge stainless steel frame and a 20 gauge stainless steel mirror panel. Anchor kits and mirror back plates are also available.

## ALSO AVAILABLE:

- Recessed Toilet Paper Holders
- Pistol Safes
- Key Cabinets
- Grab Bars
