The Derby sealed seam mattress is a sole source item, manufactured by Derby Industries and its' licensees, per U.S. Patent Nos. 6,351,864, 6,516,482, and 6,785,923. The fabric is exclusive to Derby Industries for the manufacturing and distribution in the United States per written agreement. No others may produce this product without the written permission of Derby Industries. Derby Industries will aggressively seek legal recourse for all patent violations.
