

DERBY INDUSTRIES

Mattress Solutions for Correctional Institutions

- 100% Sealed Seams
- Incredible Seam Strength
- High Performance Cover Will Not Crack
- Easy to Search for Contraband
- Satisfies Separate Pillow Requirement
- Certified Fire Resistant
- Breathable Vent
- Fluid Resistant - Blood, Water, Urine, etc.
- Wipe Clean (helps to reduce cross infection)
- Free Patches Available for Punctures and Tears

The “Derby Mattress” can help you save money and reduce your health care risks.

- Mattresses that crack and peel can create untold health risks and unmeasured health care costs each year. As the interior of a cracked mattress is exposed to contaminants, the potential for health costs is increased.
- Let us help you save your health care dollars. The patented “Derby Mattress” has a warranty against cracking. The seams are 100% sealed, unlike sewn seams which are an additional avenue for contaminating a mattress.

The “Derby Mattress” Patents 6,351,864 , 6,516,482 , 6,785,923
