

Product Specifications for the Derby see-clear-ity Vinyl Mattress

The Derby see-clear-ity Vinyl Mattress is produced by special manufacturing techniques. The 100% sealed seam process provides maximum fluid resistance as well as minimum risk exposure. It comes with a fluid-resistant breathable vent.

Core

- Polyester Elastomer core material creates sense of openness that allows view into mattress core
- 3 Dimensional continuous loop structure provides elasticity in support
- Demonstrates a breathability rating of 300 cm³/cm².S
- Apparent density 125kg/m³ @ 25% compression
- Bulk compression ratio 88% @ 50% compression after 24 hrs (70°C)
- Meets and exceeds 16 CFR parts 1632 & 1633 flammability requirements, conforms to JIS-K7217
- 100% recyclable

Vinyl Cover

- 11oz. glass clear correctional fabric- highly durable 1000 denier polyester reinforced base fabric is strong and tear resistant
- Transparency combined with core openness makes it difficult to conceal contraband
- Bacterial/fungal resistant
- Fluid and stain resistant
- Non-allergenic
- Easily cleaned with soap and water
- Anti static
- Patented fluid resistant Derby Vent System & 100% Sealed Seams
